

## The Heaven House Project Opportunities for groups

The Heaven House project is eagerly assimilating volunteers in every level and aspect of the project. We have had requests for ways in which groups could be involved in the project. We have identified 3 ways in which a group of people could join together as a team and contribute to the goal of the Heaven House project. If you have a group interested in helping, please review the possibilities listed below. If you are interested, contact the leaders listed here to find out more. Your group may even decide to help in all three areas!

### Design Teams

We are putting together design teams to take responsibility for one of the 20 rooms in the new home. The teams would be responsible for the funding, design, furnishing and decorating work to complete for one of the rooms in the house. The teams will work under the oversight of Robin Walker, our Heaven House project interior design coordinator. Robin will not be the designer of each room but will act to help oversee what is done. She is willing to help you with design ideas or shop with each group as needed. She and the family will give approval of the final design that each team comes up with. Robin will act as advisor to both the family and the design teams. She can be contacted at [robin\\_w@sbcglobal.net](mailto:robin_w@sbcglobal.net).

### Fund Raising

Our most urgent need in this project is to raise funds to purchase materials and pay other costs. Without funds to buy materials, the volunteers will have nothing to build with. Your group could have fun and help the Heaven House project at the same time by holding a fund raiser. Dinners, car or dog washes, hot dog stands, auctions, the ideas are endless! Chris Steiner is our fund raising coordinator for the project. She can help you with ideas, literature or questions. Please contact Chris at [chrissteiner323@aol.com](mailto:chrissteiner323@aol.com).

### Hospitality Teams

We plan to have lunch served each day there are volunteers working at the site. This would be an opportunity for your group to prepare and serve a meal on one of these days. The amount of food needed will vary significantly based upon what is happening on the site. We expect Saturdays to be busy work days as well as many days during the week. If you are interested in your group becoming a hospitality team please contact Gary or Marge Meyer at [gdimeyer@msn.com](mailto:gdimeyer@msn.com).

If you have another idea how your group could help and it does not seem to fit in the list above, please contact Tom Schwalbach 414-529-8405 or [swallowcreek@wi.rr.com](mailto:swallowcreek@wi.rr.com).
