Foundation Celebration

October 3, 2009 ~ 3:00PM

We are very happy you are joining us for the Foundation Celebration! The City of Brookfield has asked us to keep the streets around the event free of parked cars. We have arranged for two parking lots nearby to park your vehicle. The first is the JBK properties lot on the Northeast corner of Calhoun Road and Greenfield Ave. The second is at World Harvest Community Church, just southwest of the site. If you need to drop off people or supplies please do this along Adelman Ave. Once completed, we ask that you immediately move your vehicle to one of the lots.

Parking is Free and At Your Own Risk

Parking lot owners take no responsibility for damage, loss or personal injury to property or persons that occupy their parking lot. Please understand that parking at these lots is not any kind of contractual relationship with the property owners. These property owners make no guarantee to protect your property or promise for your protection.
